

Take a Step

At Southside, we believe that a growing relationship with God goes beyond attending our worship gathering. If you took a step, made a decision or would like more information, please fill out the form below. You can drop it off by the Information Table or in the black box at the Resource Center.

Take a Step

WELCOME

July 25, 2010

WELCOME

We are glad you have chosen to attend Southside Church. Southside is a Strategic Partner/Church Plant of North Point Ministries in Alpharetta, Ga. Our worship service normally consists of live worship, special programming, and a video-cast message from North Point Community Church. Today we will be hearing part one of a three-part series called "Listen and Learn" by Andy Stanley. If you would like to talk with someone or share a prayer request, our Care Ministers are available at the Care Network table in the foyer.

First Time Guests

If this is your first time visiting our church, we hope you enjoy today's service. Please stop by the Information Table in the lobby. We have a gift for you.

Promotion Sunday for Waumba Land and UpStreet

On Sunday, August 8, children in Waumba Land and UpStreet will move up to their new grade and/or classroom. If you have questions, please call the church office at 678.364.1575 or email info@southside.org.

Taking the *next step

If you have been attending Southside for a few weeks and would like to know more about our church or discover ways that you can take the next step, then join us on the first Sunday of the month for an environment called *next. *next is led by our Lead Pastor, Chris Patton. *next is scheduled for August 1 in between the services upstairs. Just take the stairwell by the men's restroom and go left. To RSVP or if you have questions email cpatton@southside.org. We look forward to seeing you there.

GroupLink

GroupLink is a two-hour event that happens twice a year at Southside. GroupLink is where Community Groups are formed. You are able to meet people in your same life stage as well as potential leader and form a Community Group. Singles GroupLink is Thursday, August 26 and GroupLink for married couples is Saturday, August 28. To sign up to attend, visit the Information Table or go online to www.southside.org.

Southside **ORANGE** is an effort to synchronize church leaders and parents around a master plan to build faith and character in our sons and daughters. We want to combine the light of the Church (yellow) and the passion of your home (red) to maximize the influence in the lives of our children. Go to www.southsidesuitcase.org for more info and to listen to what your children are being taught each week.

This week in Waumba Land...

We are learning that sometimes it is hard to always do the right thing. In our story, Daniel was told that he would be thrown in a Lion's Den if he didn't pray to the King instead of God. Daniel trusted God and asked God to help him and God saved him from the lions! This week's bottom line is: It won't always be easy to do the right thing. On the way home today, ask your child: "Who can we trust to help us make the right decision?"

This week on UpStreet...

We're learning that if you want to be bright, you need to "take in and live out" what Jesus taught. This week's bottom line is: Find people in places that help you grow. On the way home today, ask your child: "Who can help you grow wiser and stronger in your faith?"

This week with our students...

In Middle School we are talking about where God is when bad things happen. In High School we are talking about finding our identity in Christ. **Middle School:** How did your faith affect the way you lived this past week? **High School:** Does God expect us to lead perfect lives?
